

NAVHDA Discussion Issue Form

An open membership forum is held during the Annual Meeting to encourage open discussion on issues members wish to bring forth for the betterment of NAVHDA. This is an opportunity for all members in attendance to speak on the issues presented. Discussion issues can be proposed by any chapter or a NAVHDA member in good standing for discussion at the Membership Forum. An issue can be submitted at any time before or during the forum. It is preferred that a member submitting a discussion issue be in attendance to lead off the discussion and to clearly explain the issue. Written submittals from members who are in attendance will receive priority. The Chair of the meeting retains the privilege of prioritizing the submittals according to the relevancy and importance of the issue. There is a time limit for the forum so a speakers time and the number of opportunities to speak to an issue may be limited by the Chair.

Please state the issue you wish to have the members discuss and your opinion regarding the issue:
