

The following information is for NAVHDA Test Secretaries:

We are offering Test Secretaries the use of an Excel based application called N.E.T.S. which is an acronym for NAVHDA's Electronic Test Secretary. This application was designed to provide full functionality to run 3 full NAVHDA Sanctioned Tests in a day. The system is fully integrated and eliminates duplication of effort. The main functions of this system are:

- System is Menu Driven, and menus must be used for system to function properly
- Allows you to document test entries
- Configurable for individual Chapters (Chapter Personnel, Logos etc.)
- Allows up to three Testing Groups
- Prints Running Orders - Tri-fold with up to three Test Groups, sample score cards & miscellaneous event information
- Will sort running orders by Test Type (NA, UT etc.) and females in season.....in season females will be put at the bottom of the running order
- Validates Test Groups according to NAVHDA's Sanctioned Test Capacity Chart
- Prints Score Card Labels
- Prints Name Tags for Judges, Volunteers & Handlers

System Requirements:

IBM Compatible PC with Microsoft Excel 97 or higher

*****Special Note - This system is macro driven so you will need to enable macros when you open the NETS.xlsm file**
